Importance: High

Shane, I received your voice mail message, and I have spoken with the Enforcement Officer on this matter, Ms. Jamie Bradsher. Your client Jones-Hamilton Company may have an extension of thirty (30) days of the existing deadline date to respond to the information request. I hope that this responds to your concerns. If not, I will be out of the office at a conference through the end of the week, but will be checking my voice mail from time to time. So if you have any further questions, please do not hesitate to leave me a voice mail message and I will return the call when I can do so. Take care.

Mr. Turner:

I am outside environmental counsel to Jones-Hamilton Co. ("JHC") in the above matter. I just

left you a voice mail on your office line in Dallas.

Consistent with my voice mail message to you, JHC is preparing its response to the referenced CERCLA Section 104(e) Information Request, but requires an extension of time in order to complete the same. Please contact me at your earliest convenience to discuss this matter directly.

Thank you in advance for your anticipated cooperation with respect to the requested extension of time. I look forward to hearing from you shortly.
